

2010 SX / MX Rider Bio's

Max Anstie, originally from England now resides in Hemet, CA. Max was one of the most highly touted amateurs from 2009. With several top ten overall finishes in the 2009 Outdoor MX Championships in only his first try. Max's true potential will shine indoors as well because of the countless hours he's already put in on a Supercross track. At 16 years of age, Max is diving into testing here in California and it looks as if he will be vying for great finishes. Max has the base of a contender and with his work ethic helping him out, plus adding the excitement of riding an all new brand of motorcycle has him amped up to achieve his dreams. He is set to tackle the premier series in the world. Max joins DNA Shred Stix/Star Racing/Yamaha for his pro debut in 2010.

Current residence: Hemet, CA Date of Birth: 4/25/1993 Birthplace: Winchester, England Height / Weight: 5'10" / 140 lbs Year Turned Pro: 2009 Goals: Top 10 places Bike: YZ 250F Mechanic: Eric Gass Class: Supercross 250F - West Race # 48

Broc Tickle, originally from Cary, North Carolina now resides in Wildomar, CA. He had a very successful amateur career before stepping into professional ranks. Broc's consistent results in the previous season have just begun to pay off. In 2009, the friendly 20 year old has caught fire and elevated his speed to a new level which helped land him on the podium in a few occasions. Racing his fourth full season in the 250F class he established that his skills were real by running at the front in Supercross and motocross. Broc displays the characteristics of a true professional, confident in himself and his team. The stage is now set for Broc to put himself on the podium consistently.

Current residence: Wildomar, CA Date of Birth: 11/21/1989 Birthplace: Cary, NC Height / Weight: 5'11" / 175 lbs Year Turned Pro: 2007 Goals: Top 3 places Bike: YZ 250F Mechanic: Dave Feeney Class: Supercross 250F - West Race # 20

Nico Izzi, splits where he resides during the season between his hometown of Albany, GA and Wildomar, CA. When the 2009 AMA Supercross Lites East series ramped up in Atlanta, it quickly became apparent that Nico had spent his off-season honing his skills in the dangerous art of Supercross. Showcasing those skills, he landed on the podium five times and narrowly won multiple races. Nico quickly started turning heads, making it known that he is and will be a title contender. For 2010 his goals are one thing, win races and contend for the East coast 250F championship. Nico is confident and refreshed by being a part of DNA Shred Stix/Star Racing/Yamaha.

Current residence: Wildomar, CA Date of Birth: 7/17/1990 Birthplace: Rochester, MI Height / Weight: 5'6" / 145 lbs Year Turned Pro: 2007 Goals: Top 3 places Bike: YZ 250F Mechanic: Andy Vande Berg Class: Supercross 250F - East Race # 341

Martin Davalos, originally from Ecuador now resides in Cairo, GA. Martin first joined Star Racing for his 2006 professional debut. Prior to joining Star, Davalos was one of the top amateur racers in the country, earning many Amateur National Championship titles. Martin was an instant success in the East Coast Supercross Lites Championship finishing third in Atlanta (2006). Since then, the awesome starter has established himself as a front runner and is looking to better his results.

Current residence: Cairo, GA Date of Birth: 1/18/1987 Birthplace: Quito, Ecuador Height / Weight: 5'8" / 155 lbs Year Turned Pro: 2006 Goals: Top 3 places Bike: YZ 250F Mechanic: Karl Gunderson Class Supercross Lites - East Race # 76
